How did you hear about the Foundation Associate Board?

Each Associate Board member is required to serve on one of four committees (Finance, Events, Membership, Communications). If invited to join the Associate Board, which committee would you like to join and why?

Associate Board members are expected to attend all quarterly associate board meetings and committee meetings throughout the year. Members must attend at least half of the board meetings and half of the committee meeting throughout the year. Do you understand if you are invited to join the Associate Board, but do not meet these attendance requirements, you may be asked to resign?

Skills and History

Are you/ have you been a member of any other civic organizations (clubs, foundation boards, young professional groups or societies)? Please describe your involvement.

What skills will you bring to the Associate Board? (i.e. fundraising, technical skills, outreach, programming, past leadership experience):

Goals and Aspirations

What personal goals do you hope to achieve through your membership on the Associate Board?

Members of the Associate Board of the Chicago Public Library Foundation are dedicated to the lifelong pursuit of learning and discovery for all. We seek to support the creation, promotion, and growth of private resources for the benefit of the Chicago Public Library, and thereby all Chicagoans. What are 1-2 ideas you have to advance this mission?

Fundraising

The Associate Board is responsible for raising money for the Library Foundation. What are some ways you will fundraise? How will you leverage your personal and professional contacts?

Associate Board dues are \$250 annually. Can you commit to fulfilling this requirement?

There is also an additional fundraising goal of \$500. How will you personally achieve this expectation? (Note that money you spend to attend events, and money spent by anyone you invite to attend events, counts toward the additional fundraising goal.)
